

Hallways are identified by letters (i.e. A, B, C, etc.)

★ Cullen Auditorium will be the central location for Group B applicants to meet. If at any time you require assistance please report to the M108; a O&P Program and Admissions representative will be available all day to assist you. After your last interview please stop by M108 to check out.

★ DeBakey Building (M) will be one of the main locations where interviews will take place. Room numbers with the letter M in the front will be located in the DeBakey Building. When leaving Cullen turn right and follow hallway indicated on map.

★ Taub Annex will be the location where both orientations take place. The Genetic Counseling Program Office in the Taub Annex Building. When leaving Cullen turn right and take the stairs located outside of M112 down to the lower level. Turn left and follow the hallway. Go up the next set of stairs (or use the ramp) and turn left into the Taub Annex Building (wall with orange tile). Go up the stairs and turn right and follow hall to the School of Health Professions offices.

★ Kleberg Auditorium will be the central location for Group A applicants to meet. If at any time you require assistance please report to the M108; a O&P Program and Admissions representative will be available all day to assist you. After your last interview please stop by M108 to check out.
