2020-2021**

Rev 4/8/20

Medical textbooks are a substantial investment. Therefore, we have selected only those books we feel you must have as a learning library. Many of these books are available on amazon.com and other booksellers as used books. Online versions are available for some texts.

***You will need the textbooks designated for Fall, Term 1 on your first day of class.**

***There is a strong possibility that textbooks purchased for one term of a course may be used in subsequent terms.**
