

Want to talk using built-in audio? Click the mic button and wait until it is animated and green.

Want to send a text message? Open the *Collaborate Panel > Chat* and type.

Need to troubleshoot your audio? Open the *Collaborate Panel > My Settings > Audio and Video Settings > Set Up your Camera and Microphone*. Select your preferred device and watch for the moving meter bar.

Want to talk using your telephone? Open the *Session Menu > Use Phone for Audio*. Connect to the telephone bridge by dialing the 10-digit number and then entering the PIN. Click the handset icon to mute or unmute your line.
